2017 Golf Season

Dear Outing Chairperson:

We are pleased that you are considering Rockland Golf Course to host your golfing event. As you know, a golf outing can be used as a fundraiser for your favorite charity, a reward for your loyal customers or employees, a function that is part of a class or family reunion, or just a great day on the links with your friends.

Our Rockland facilities include an 18-hole par 54 course with a fully-stocked Pro Shop, a Sports Bar overlooking the course, a grille room that can accommodate up to 80 players, and there's also a large scenic outdoor porch with extra seating. The function room is available to larger groups with food service of 100 or more. Food options range from a delicious banquet buffet to wonderful seated-served dinners. The Sports Bar provides full liquor service and luncheon food. Our Pro Shop offers a large selection of golf related merchandise and apparel, and we can have your logo embroidered or imprinted on hats, shirts, golf balls, and additional items. Let us know with advance notice if you would like us to order anything special for your outing.

We are pleased to enclose our Outing Options, Rates, Contract & Agreement, Registration Form and Outing Checklist to Rockland Golf Course. You will also find information on Rockland Golf Course and other Sterling Courses by visiting our website, [www.RocklandGC.com](http://www.RocklandGC.com).

Thank you for considering Rockland Golf Course for your 2017 Golf Outing. For further information or to check on available dates for your event, please contact our Outing Coordinator at 781-871-0480. We will do our utmost to assist you with all arrangements to make your event a great success.

Sincerely,

Johnny Dalrymple
