

**Rockland Women's Golf Association 2018
Membership form**

Please use the form below to become a member of the RWGA. You can mail the form or place the form in an envelope and drop it in the tournament slot located at the Rockland Golf course tournament room. Please use the box on the right side as you walk in the tournament room. *Any female in good character who has attained 18 years of age and is interested in the RWGA shall be eligible for membership.* (RWGA by-law section 1).

To establish a handicap, you must submit five (18 hole) scorecards from a MGA regulation golf course.

Scorecards should be placed in the "scorecard" box on the right wall when entering the tournament room at RGC. New members may participate in minor tournaments to help establish a handicap but will not be eligible for prizes until their handicap has been established.

If you have further questions, please contact a board member.
